STRONG & UNITED

"Our association is moving fast. In just a few months since we officially formed the association, we have met with city officials, held rallies and made our voices heard. Join us!"

– Addis Gebreselassi

"I have testified twice at the D.C. Taxicab Commission, and I already notice a change in the way we are treated by the commission. Together as Teamsters, we are stronger. I urge my fellow drivers to join the association so that we get even stronger."

– Timmy Olorunfemi

"We have had our association with Teamsters Local 117 in Seattle for about two years, and our voices are being heard by the city. As drivers affiliated with the Teamsters, our issues are finally being addressed."

– Daljit Parmar, Driver for Yellow Cab in Seattle.

"This is all about getting the respect and dignity we deserve as taxi drivers. By joining the association, we will all be stronger as we fight for justice."

– Irfan Jamali
