The health care reform bill will save you an average of \$2,800 per year.¹ That bill says those who make more than a quarter of a million dollars a year should help pay for reform by rolling back Bush's tax cuts by just 1%.²

**Can you call your Representative today and
tell them to stand up for health care?**

Here is a sample of what you can say:

- Press 2 to be connected to your Representative.
- Please be polite. Ask to talk with someone who can speak to the Representative's position on health care.

*I'm calling from the Teamsters to make sure that Rep. _____
knows that we need real health care reform in 2009.*

*The House health care bill, H.R. 3200, will provide quality,
affordable health care for all with good benefits and
affordable costs.*

*Health care can't wait, please vote for H.R. 3200,
