

# DON'T Throw Away Your Vote

*AMFA's Write-In Campaign is a Doomed Strategy*

Not long ago, AMFA was accusing the Teamsters of being a big spoiler in the representation battle for mechanics and related at American Airlines.

But in reality, now the big spoiler for change at AA is AMFA! After failing to win an official slot on the ballot, AMFA is talking about starting a write-in campaign.

This is a doomed strategy and a wasted vote for AA mechanics and related. There has never been a successful NMB write-in election for the airline mechanics and related craft.

The bottom line is that a write in for AMFA is a vote for the TWU. In our collective push to get rid of the TWU, the Teamsters are the **ONLY** effective vote for change!
