

# **STAND WITH MARYLAND WORKERS**

## **CALL OUT CSX RAILROAD FOR TEAMING UP WITH AFIMAC GLOBAL**

AFIMAC is a union busting company that is known to help Fortune 500 companies lower the standard of living for the working class. AFIMAC hires people from all over the country to come into towns and take over local jobs.

CSX contracted AFIMAC at the Annapolis Junction Facility and removed 40 workers with no notice. Some workers have been working there for 30 and 40 years.

Stand with these workers and let newly hired CEO of CSX Joseph Henrichs know that you stand with Marylanders. Email him today at [Joseph\\_henricks@csx.com](mailto:Joseph_henricks@csx.com) to let him know you stand with Maryland workers!
