

ATTENTION ABF TEAMSTERS: *We Want to Hear From You!*

In early September, look for a letter in your mailbox about a contract survey as the Teamsters Union prepares to begin bargaining with representatives of ABF management for a new ABF—National Master Agreement.

In order to negotiate a successful contract, your union needs your input, so please read the letter about how you can help provide the union with your bargaining priorities. We need to hear from you!

The survey will kick off the bargaining process, which will continue into next spring.

This year, in an effort to make the process easier and to get more members involved, the survey is being done electronically. You may use a desktop or laptop computer, tablet or smart phone to complete the survey. Please note that for privacy reasons nothing on the survey identifies the individual respondent, and this includes whether you participate or not.

Please take the time to provide your ideas.

We look forward to your participation.
