MARCH 28, 2018

TEAMSTERS, ABF REACH TENTATIVE CONTRACT AGREEMENT

The Teamsters National Freight Industry Negotiating Committee and ABF Freight System reached a tentative contract agreement, Ernie Soehl, Co-Chairman of the Teamsters National ABF Negotiating Committee, announced today.

No further details will be released until leaders from Teamster local unions that represent ABF members

meet in the next two weeks to review the tentative agreement and approve sending it out for a membership ratification vote.

The parties agreed to an extension of the current agreement to allow for the ratification process to take place.

Once the upcoming meeting takes place, the union will release more information.
