Brothers and Sisters:

The Teamsters History Project is currently working on a new book for the Teamsters History book series about Teamsters in Military Service--and we need your help.

We are looking for photos of Teamsters who served in the military at any time during the last 110 years of our history. This would include combat and noncombat veterans and all conflicts during that time, such as WWI, WWII, Korea, Vietnam, Desert Storm, Iraq and Afghanistan.

The photos would need to be a decent quality and high resolution so they could be reproduced if selected for the book. Photos can be scanned and sent to teamstervets@gmail.com. Or, the original photo (or hard copy) can be sent to:

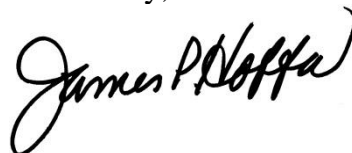

Teamsters History Project
1st Floor Annex
25 Louisiana Avenue Northwest
Washington DC 20001

If you send an original photo please be sure to attach a return address to the photo so we can send it back to you after we have scanned it.

Also with any of the images sent, please be sure to include a caption with the photo and brief information about the Teamster member in the photo, including the member's name, local number and hometown.

Thanks for the help! We look forward to seeing your histories!

Fraternally,

James P. Hoffa
General President
