Although children represent less than 25 percent of the population in our countries, they are 100 percent of our future!

Scholarship recipients are selected on the basis of scholastic achievement, aptitude, personal qualifications and financial need by the Scholarship Selection Committee. We consider all applicants without regard to race, religion, gender, disability or an other legally protected status. Due to the number of applicants to this program and because the program is extremely competitive, only those students who exemplify academic excellence should apply.
