

# WE'RE AT MAJORITY AT TPA

***IT'S TIME FOR A UNION THAT WILL FIGHT FOR US!***

We have hit majority support for Teamster representation here in Tampa! We're joining our brothers and sisters at other AA maintenance stations in TUL, AFW, LAX, MIA, DWH, and JFK who have also reached a majority of Teamster cards signed.

Every day we are getting closer and closer to winning powerful Teamster representation at AA! It's time for a strong airline mechanics union at AA that can give us the representation we deserve. That union is the Teamsters! If you have already signed a card, thank you for your support and we hope you will consider getting involved in the campaign. If you have not signed a Teamster card yet, please sign one as soon as possible!

It won't be long before we have a majority of cards throughout the system and we can petition the National Mediation Board to schedule our election.

**For more information about our campaign, please contact Pete Chrisos at (202) 528-5796.**
