Dear Supporters of the James R. Hoffa Memorial Scholarship Fund,

In tribute to the 100th birthday of James R. Hoffa we have compiled this booklet which lists, by region, the past recipients of a scholarship award.

There are over 1,500 students listed herein and with your continued support there will many more added in future years. Since 2001, when the Fund was established, \$4,741,000 in scholarships have been awarded.

We wish to thank the entire membership of the International Brotherhood of Teamsters for their steadfast financial contributions.

Sincerely,

W.C. Smith
