

It's *Time* for a *Real UNION* with *Real POWER*

It's Time for the Teamsters! _____

Clark County School District support staff have an important election coming up! You will soon have the opportunity to vote for a secure future with Teamsters Local 14. Ballots will go in the mail in early January and voting will take place during the month of January.

Wait! Didn't CCSD support staff already vote in favor of Teamsters Local 14 representation and WIN? Yes, you did. However, due to the state Employee-Management Relations Board rules, a super-majority has to vote. That means it is critical that every CCSD support staff employee vote in this election to secure Teamster representation. Remind your co-workers of the importance of voting!

Here are just some of the many benefits of forming your union with the Teamsters:

- Being a Teamster member means that you belong to a strong, decisive and democratic union. You elect your union leaders and you have a say in your future.
- For 111 years, the Teamsters Union has been a leader in setting the standard for higher wages, better benefits, respect and improved conditions for workers throughout the U.S. and Canada.
- Your future local, Teamsters Local 14, has the staff, resources and skilled negotiators to represent CCSD support staff to the fullest. Teamsters Local 14 has negotiated strong contracts for public sector workers across Nevada.
- You're not alone. The Teamsters Public Services Division provides strong representation to support staff at some of America's largest public school districts, including Los Angeles, Cleveland, Seattle, Minneapolis, Washington, D.C. and more.
- Within the Clark County School District, you will never compete with other groups of educators for representation and a seat at the table. You will be the one and only priority for Teamsters Local 14 at CCSD.

That is unparalleled representation.
