

WE SUPPORT YOU!

- *Teamsters from the U.S. and Canada Stand with EXAL Workers* •

We are Teamsters from throughout the U.S. and Canada, here to send a message of solidarity and support to you at EXAL. We represent tens of thousands of Teamster members at some of EXAL's largest customers including Budweiser, Coca-Cola and Pepsi.

We know firsthand that a Teamster contract is the only way to achieve real dignity at work.

The Teamsters are 1.4 million members strong, with 21 industrial divisions, including the Brewery & Soft Drink Workers Conference.

We are proud of your determination and courage even in the face of continued harassment by management. You have a right to a fair election, free of retaliation and coercion and should settle for nothing less.

WE STAND WITH YOU!
