Excluded from this Agreement are all audit clerks, receiving counter clerks, switchboard operators, all other clerks not specifically included in the Wage Schedule, watchmen, guards and supervisors.

ARTICLE 46 – LEAVE OF ABSENCE

Section 1 – Time Off for Union Activities

The Employer agrees to grant the necessary time off without loss of seniority to any employee who is appointed or elected to a full-time paid Union representative position.

The Employer further agrees to grant the necessary time off without discrimination or the loss of seniority rights and without pay to any employee designated by the Union to attend a labor convention or serve in any capacity on other official business, provided forty-eight (48) hours' written notice is given to Employer by the Union, specifying length of time off. The Union agrees that, in making its request for time off for Union activities, due consideration shall be given to the number of employees affected in order that there shall be no disruption of the Employer's operation due to lack of available employees.

Section 2 – Leave of Absence

Any employee desiring leave of absence from his/her employment shall secure written permission from both the Union and Employer. The maximum leave of absence shall be for ninety (90) days and may be extended for like periods. Permission for same must be secured from both the Union and Employer. During the period of absence, the employee shall not engage in gainful employment, except as provided in Section 3 below. Failure to comply with this provision shall result in the complete loss of seniority rights for the employees involved. Inability to work because of proven sickness or injury shall not result in the loss of seniority rights. It is understood that maternity leave for female employees shall be granted with no loss of seniority for such period of time as her doctor shall determine that she is physically unable to return to her normal duties. The employee must make suitable arrangements in writing

for continuation of health and welfare and pension payments where applicable before the leave may be approved by either the Local Union or the Employer.

Section 3

A driver whose driving permit has been revoked is obligated to notify the Company before the driver's next report to work.

When a driver's permit has been revoked for reasons other than those for which he/she can be discharged by the Employer, leave shall be granted for such time as his/her permit has been revoked, but not to exceed two (2) years. An employee whose driver's permit has been revoked, but for not more than two (2) years, shall be offered non-driving jobs where such jobs are available at the prevailing rate of pay for the classification of work he/she performs. Said employee will not be permitted to replace another full-time employee, regardless of seniority, but he/she may displace the most junior part-time employee in his/her location or be offered available work before it is assigned to new employees. In the event an employee shall suffer a suspension or revocation of his/her chauffeur's license because of a succession of local, state, or federal violations, caused by the employee complying with his/her Employer's instructions to him/her, the Employer shall provide employment for such employee at not less than his/her regular earning at the time of such suspension for the entire period thereof subject, however to the seniority and layoff provisions applicable to him/her at the time of such suspension. Successions referred to above shall not include any points or citations accrued toward suspension or revocation which are accumulated when the employee is not following Employer's instructions.

ARTICLE 47 – MAINTENANCE OF STANDARDS

Section 1 – Protection of Conditions

The Employer agrees that all conditions of employment relating to wages, hours of work, overtime differential, and general working conditions, as negotiated or agreed upon, shall be maintained at not less than the highest standards in effect at the time of the signing of this Agreement and the conditions of employment shall be im-

proved wherever specific provisions for improvements are made elsewhere in this Agreement.

It is agreed that the provisions of this Section shall not apply to inadvertent or bona fide errors made by the Employer or the Union in applying the terms and conditions of this Agreement.

Section 2 – Extra Contract Agreements

The Employer agrees not to enter into any agreement or contract with his/her employees, individually or collectively, which in any way conflicts with the terms and provisions of this Agreement. Any such agreement shall be null and void.

Section 3 – Workweek Reduction

It is understood and agreed that should it subsequently be determined that employees of the Employer come under the provisions of the Fair Labor Standards Act or any similar legislation enacted in the State, then as to such employees any provisions of this Agreement which do not comply with the requirements of said Act are to be changed so that there is no violation of the statutes provided, however, that such changes shall not result in substantial penalties to the employees or the Employer.

In the event the parties cannot agree on a solution to any problem arising from this Section, either party shall be allowed lawful economic recourse.

Section 4 – New Equipment

Where new types of equipment and/or operations for which rates of pay are not established by the Agreement are put into use after the date of execution of this Agreement, rates governing such operations shall be subject to negotiations between the parties. Rates agreed upon or awarded shall be effective as of the date equipment is put into use.

ARTICLE 48 – GRIEVANCE PROCEDURE

Section 1 – No Strikes – No Lockouts

The Union and the Employer agree that there shall be no strike, picketing, lock-out, tie up or legal proceedings without first using all possible means of settlement, as provided for in this Agreement or any Supplement hereto, of any controversy which might arise under this Agreement. The parties further agree that the words “legal proceedings” as used in this paragraph shall not be construed to prohibit the Union or the Employer from going to court of proper jurisdiction for an injunction against the other for breach of the no-strike, no lock-out, no tie-up, no picketing promises made herein.

Section 2 – Grievances

A grievance is hereby jointly defined to be any controversy, complaint, misunderstanding or dispute arising as to interpretation, application or observance of any of the provisions of this Agreement or Supplements hereto.

Grievance procedures may be invoked only by authorized Union representatives.

In the event of a grievance, it shall be handled in the following manner:

the National Master United Parcel Service, Inc. Agreement, or the grievance or dispute cannot be satisfactorily settled by a majority decision of the panel of the New England Area Parcel Grievance Committee, then the matter may be resubmitted by either party or both to an arbitrator selected under the rules and procedure of the New England Area Parcel Grievance Committee.

(e) In the event that the parties are unable to agree on which arbitrator should hear and dispose of the matter within three (3) days from the determination that the same could not be disposed of by the majority decision of the panel, then representatives of the parties shall meet within two (2) working days to select an arbitrator by the process as outlined in the rules and procedure of the New England Area Parcel Grievance Committee.

(f) On discharge cases only, which are referred to the New England Area Parcel Grievance Committee, an impartial arbitrator will sit as a seventh (7) panel member of the New England Area Parcel Grievance Committee, and shall render a decision in accordance with the Rules of Procedure of the N.E.A.P.G.C. (24) hour period of such unauthorized work stoppage shall have the sole and complete right of reasonable discipline short of discharge, and such Union members shall not be entitled to or have any recourse to any other provisions of this Agreement. After the first twenty-four (24) hour period of such stoppage and if such stoppage continues, however, the Employer shall have the sole and complete right to immediately discharge any Union member participating in any unauthorized strike, slowdown, picketing, walkout or any other cessation of work and such Union members shall not be entitled to or have any recourse to any other provisions of this Agreement. A properly designated officer of the Union shall, within twenty-four (24) hours after request is made to the Executive Secretary of the Union, declare and advise the party making such request, by telegram, whether the Union has authorized any strike or stoppage of work. The Union shall make immediate effort to terminate any strike or stoppage of work which is not authorized by it without assuming liability therefore.

It is understood and agreed that failure of the Parcel and Small Package Division to authorize a strike by a Local Union shall not relieve such Local Union of liability for a strike authorized by it and which is in violation of this Agreement.

Section 5 – Examination of Records
