Teamster UPS Freight Negotiating Committee Reaches Tentative Agreement with UPS Freight

“The Teamsters National UPS Freight Negotiating Committee (TNUPSFNC) and UPS Freight reached a tentative agreement on a new collective bargaining agreement,” Kris Taylor, IBT/UPS Freight Coordinator, announced today.

No further details will be released until leaders from Teamster local unions that represent UPS Freight members meet in the next few weeks at the Two-Person meeting to review the tentative agreement and approve sending it out for a membership ratification vote.

The parties agreed to an extension of the current agreement to allow for the ratification process to take place.

Once the upcoming meeting takes place, the union will release more information.
