

Build Back Stronger

PENSIONS

Retirement security is earned by a lifetime of work by our Nations retirees and future retirees. All hard-working Americans should share in the American dream of living their golden years without fear of poverty.

The Teamsters Build Back Stronger campaign is committed to Building Back Secure Pensions. Our campaign includes:

PENSION PROTECTION

Some of the nation's largest multiemployer pension plans are on the verge of collapse and the economic crisis caused by the COVID-19 pandemic has further aggravated the problems these funds face. Pensions are earned through hard work and must be protected for current and future retirees.

SOCIAL SECURITY AND MEDICARE

Social Security and Medicare play vital roles in providing economic security to America's working families and must be protected.
