

DOES YOUR READY-MIX JOB PROVIDE YOU WITH THE FOLLOWING?

- **A livable, middle-class wage;**
- **Employer-paid (or low-cost) health insurance;**
- **A dignified retirement.**

If the answer to any of the above is “no,” then **it’s time to ask yourself – why not?** You bring a unique set of skills to your company and should be compensated as such. After all, many Teamster ready-mix drivers earn over \$70 per hour (including benefits). **Aren’t you worth more?**
