

Teamsters Leadership Academy **Announcement**

Member Mobilization for Power!!

Zoom Training

November 15-17, 2021

Due to the current COVID-19 pandemic uncertainty, this program has been adjusted for on-line training.

Whether bargaining contracts, addressing workplace issues, growing your membership, or fighting legislative issues such as “right-to-work,” **internal organizing** is critical. This three-day on-line course is designed to help Teamsters develop a strategic action plan to engage their members in local union activities. Participants will put together a real-life plan of action that can be implemented upon return to their locals.
