ANNEX B

JOINT AREA COMPLAINT REVIEW COMMITTEE

The following describes the functioning of the Joint Area Complaint Review Committee:

Local Unions shall use the Committee to resolve complaints arising under this Agreement.

Each party shall be entitled to two (2) representatives of its choice to serve on the Committee. One

representative is not eligible to serve on the Committee if he has any involvement in the case. The members of the Committee may be elected from:

- a. One (1) of the Company's facilities/Union facilities that are party to this Agreement, but are not parties to the complaint; or
- b. If the opposing party agrees, from another facility or Local Union.

The parties will then alternate in the choice of the site, choosing first the Syndicate, then the Company, then the Syndicate, then the Company, etc. The party that chooses the site will bear the costs of the site, if any. Typically, the site will correspond to a Union Room, the Company's premises on a non-operating day, or a neutral site at no cost to either party.

Upon ratification of this Agreement, each Party shall designate in writing a Permanent President to act until a written replacement is appointed. The party who has not chosen the site will cause its designated President to provide the required services (i.e. Syndicate site, Company President). The Chairperson selected shall occupy a non-voting seat.

Either party is responsible for choosing an advocate to present their case. The party responsible shall proceed first. In cases of dismissal or suspension, the Company will assume responsibility. In cases of interpretation of contracts, the Union shall assume responsibility.

After each party's submission, each party will be allowed a reasonable amount of time to refute what was heard.

After rebuttal, each party has the right to submit a brief oral summary of its position.

After the summary, the members of the Committee will declare a recess to discuss all the cases presented and make their decision. The President shall draw up a brief decision detailing the vote count (not who voted for which position), a summary of the facts, the committee's decision and, where appropriate, the applicable remedy. Both the Committee's decision and the remedies are strictly limited to the strict terms of the contract, as is done in arbitration. If the matter is blocked, the decision will only state that "the matter is blocked."

The decision of the Committee shall be final and binding on all parties. In situations where the JAC is blocked, such a dispute may be submitted by either party to a mutually acceptable neutral arbitrator for a final and binding resolution.

Upon ratification of this Agreement, the Parties shall agree on a brief set of rules for the committees.

Add New Article:

TECHNOLOGY

The technology, including but not limited to video, audio, monitoring of equipment KPIs, parent notification, student management, telematics and GPS, including but not limited to any successor technology, is being used and implemented by providers while increasingly being demanded by agencies, customers, school districts and others to ensure safe and reliable transportation for students. The parties recognize the importance of technology in the school bus transportation business and accept the increasing use of technology. The parties further recognize that technology plays an important role in many investigations related to safety, quality of service, student behavior and management, accidents, incidents, and employee adherence to policies. The parties recognize that while technology plays an important role in the safe transportation of students, it should not be used in a manner inconsistent with its stated purpose of improving safety and quality of service, which is not just about disciplining employees.

The Company shall provide the Union with at least thirty (30) days' notice prior to implementing a significant change in the use of the technology. The Local Union shall have the right to see the audio and/or video data used as part of an investigation.

Additional Items:

Freedom of Association Agreement – Update the expiration date to correspond to that of this Agreement.

Wilmington – The parties agree to a 30-day extension of the Collective Bargaining Agreement (ACN) with automatic renewal periods of 30 days as needed. The parties agree to assist as necessary to reach a mutually acceptable agreement regarding Wilmington.

**ARTICLE 1. PARTIES TO THE
AGREEMENT**

The parties hereto enter into this collective bargaining agreement for the purpose of maintaining harmonious and peaceful labor conditions and establishing methods for a fair and peaceful adjustment of disputes that may arise between the parties. All parties hereto pledge to cooperate with each other in good faith in the enforcement of the terms and conditions of this Agreement. All parties desire to provide uninterrupted operations to the clients they serve and to provide a secure, safe and productive work environment.

Section 1. Employer Covered

The Employer signatory to this ICA and associated Local Supplements, addenda and/or riders is Illinois Central School Bus, LLC.

Section 2. Unions, Operations and Employees Covered

The Union consists of any Local Union which may become a party to this Agreement and any Supplemental Agreement as hereinafter set forth. Such Local Unions are hereinafter designated as “Local Union.” In addition to such Local Unions, the Teamsters Illinois Central State Negotiating Committee (“TICSNC”) representing Local Unions affiliated with the International Brotherhood of Teamsters, hereinafter referred to as the “Illinois Union Committee” is also a party to this Agreement and the agreements supplemental hereto.

The Employer recognizes the Union as the sole and exclusive collective bargaining agent with respect to rates of pay, hours and other terms and conditions of employment for the employees in previously certified or recognized units referenced in Appendix A hereto.

A list of all the Local Unions covered by this ICA and the associated categories of employees represented by said Local Unions is described in Appendix A to this ICA, which will be updated by the parties by mutual written agreement as additional operations become covered by this ICA.

ARTICLE 2. SCOPE OF AGREEMENT

Section 1. Scope and Approval of Local Supplements

It is the intent of the parties that generally negotiated terms and conditions of employment will be set forth in the ICA and that locally negotiated conditions generally will be narrowly limited in scope to locally negotiated economic provisions and local terms and conditions of employment, which will continue to control operations, notwithstanding anything to the contrary condition in this Agreement. Such local terms and conditions include but are not limited to management rights clauses, grievance and arbitration provisions, assignment of work and hours of work provisions. This provision does not alter or substitute for any procedures the Union has for membership ratification.

The Company and the Illinois Union Committee agree that they shall work with the local bargaining parties to seek a fair and equitable agreement prior to the commencement of any strike or job action. In such circumstances either the Company or the Local Union can invoke a one time cooling off period to allow the Illinois Union Committee the ability to assist the Local Union in seeking a resolution to the dispute. Such cooling off period shall expire twenty-one (21) calendar days after the involvement of the Illinois Union Committee or upon a statement by the Illinois Union Committee that further bargaining would be fruitless, whichever occurs first. Such statement by the Illinois Union Committee shall not be issued sooner than five (5) days after its involvement.

Section 2. Non-Covered Units

This Agreement shall not be applicable to those operations of the Employer where the employees are covered by a collective bargaining agreement with a union not signatory to this Agreement, or to those separate units who have not designated a signatory union as their collective bargaining agent.

Section 3. Additional Operation

The provisions of this Agreement, to the extent legally permissible, shall only be applicable to the Local Unions at the locations that are included on Appendix A, and will only be applicable to any new or existing locations in Illinois should those locations become organized by the Union during the term of this ICA and any existing locations outside Illinois (a list of which is included on Appendix B) should those locations become organized by the Union during the term of this ICA. Illinois Central and the Union agree to discuss the applicability of the ICA to any new location outside of Illinois (and not included on Appendix B) that are acquired by Illinois Central and represented by the Union during the term of the ICA.

Section 4. Single Bargaining Unit

It is the intent of the parties that each of the groups of represented employees referenced in Appendix A will be governed by this Illinois Cooperative Agreement and applicable local agreements, supplements and/or riders.

All employees covered by this Illinois Cooperative Agreement and the various local agreements, supplements and/or riders shall constitute one (1) bargaining unit. The printing of this ICA and the various local agreements, supplements and/or riders in separate agreements is for convenience only and is not intended to create separate bargaining units.

**ARTICLE 3. UNION RECOGNITION AND
DUES**

The Company recognizes the Union as the sole and exclusive bargaining agent for all matters affecting the wages, hours and terms and conditions of employment of its employees in the bargaining unit. This Agreement covers all individuals performing work covered by this Agreement or any

supplements and/or riders hereto, including: All bus routes or runs, and any movement of buses, vans or any other vehicle that will be used for the purpose of transportation by the Employer, as well as all work traditionally and historically performed by bargaining unit personnel.

All present employees who are members of the Local Union on the effective date of this subsection or on the date of execution of this Agreement, whichever is the later, shall continue to satisfy any and all financial requirements or other obligations of the Local Union or meet the requirements of a service fee payor. As a condition of employment all employees must pay either the Union's initiation fees and periodic dues or service fees which in the case of a regular service fee payor shall be equal to the Union's initiation fees and periodic dues, and in the case of an objecting service fee payor shall be the proportion of the initiation fees and dues corresponding to the portion of the Union's total expenditures that support representational activities. All present bargaining unit employees who are not members of the Local Union and all employees who are hired hereafter into the bargaining unit shall satisfy any and all financial requirements or other obligations of the Local Union as set forth above on and after the thirty-first (31st) calendar day following the beginning of their employment or on and after the thirty-first (31st) calendar day following the effective date of this subsection or the date of this Agreement, whichever is the later. An employee who fails to satisfy the financial requirements or other obligations of the Local Union as herein provided, shall be terminated seven (7) working days after his/her Employer has received written notice from an authorized representative of the Local Union, certifying that membership has been, and is continuing to be, offered to such employee on the same basis as all other members and further, that the employee has had notice and opportunity to make all dues or initiation fee payments. This paragraph shall be interpreted to provide the Union and its Local Unions with the maximum Union Security that may be legally permissible.

In the event of any change in the law during the term of this agreement relating to Union Security the Employer agrees that the Union will be entitled to receive the maximum Union Security that may be lawfully permissible.

The Employer agrees to deduct from the wages of all employees covered by this agreement initiation fees and regular monthly dues, including D.R.I.V.E., and send a check for all such money deducted to be received by the Union on or before the third Friday of current month, provided however, that no such deduction shall be made unless and until the Employer is furnished with individual authorization by the employee, in writing, to make such deduction, subject moreover, to all requirements of the Labor Management Relations Act, 1947, as amended.

The Union at its option may require that dues be deducted on a weekly basis.

The Local Union shall indemnify and hold harmless the Company against any and all claims, demands, suits, or other forms of liability that shall arise out of, or by reason of, any

action taken or not taken by the Company in reliance upon written authorization of the employees or written statements by Local Union representatives for the purpose of complying with this Article.

New Hires: When new or additional employees are needed, the Union may supply names of applicants. The employer shall choose between applicants referred by the Union along with any other applicants on the basis of their respective qualifications for employment. No applicants will be preferred or discriminated against because of membership or non-membership in the Union.

If any provision of this Article is invalid under the law of any state wherein this Agreement is executed, such provision shall be modified to comply with the requirements of state law or shall be renegotiated for the purpose of adequate replacement. Reopening of the Agreement shall be limited to only the negotiation of the provision(s) determined to be invalid under the law, and all other provisions remain in full force and effect.

ARTICLE 4. TRANSFER OF COMPANY TITLE OR INTEREST

This Agreement and Supplement Agreement hereto, hereinafter referred to collectively as "Agreement" shall be binding upon the parties hereto, their administrators, executors and assigns. In the event any operation or portion thereof, are sold, leased, transferred or taken over by sale, transfer, lease, assignment, receivership or bankruptcy proceedings, the Employer, to the extent permissible by law, shall make sure that such operation or use of such rights shall continue to be subject to the terms and conditions of this Agreement for the life thereof.

It is understood by this Section that the parties hereto shall not use any leasing device or subterfuge to a third party to evade this Agreement.

The Employer shall give notice of the existence of this Agreement to any heir, transferee, purchaser, lessee, assignee, etc. of the operations covered by this Agreement or any party thereof, and agrees that it will require as a condition of sale, transfer, lease or assignment of the operation or any part thereof, that the purchaser, transferee, lessee or assignee shall assume all of the obligations of this Agreement and shall execute a copy thereof. Such notice shall be in writing with a copy to the Union not less than thirty (30) days prior to the effective date of sale or transfer. No part of the work or operations covered by this Agreement shall be sublet, transferred or in any other manner disposed of without at least thirty (30) days advance written notice to the Union, and opportunity for the Union to discuss the proposed action with the Employer. Any requirement specified in this paragraph may be mutually waived by the parties. Such waiver must be in writing and signed by the parties' designated agents.

If the minimum wage, hour and working conditions in the Company sold, leased, transferred, etc., differs from those

minimums set forth in this Agreement, the higher of the two shall remain in effect for the employees involved.

ARTICLE 5: SHOP STEWARDS

The Employer recognizes the right of the Union to designate stewards and Alternates from the Employer's seniority list if needed. An Alternate can act only in the absence of a designated Steward.

The authority of Shop Stewards and Alternates so designated by the Union shall be limited to and shall not exceed the following duties and activities:

1. the investigation and presentation of grievances in accordance with the provisions of the collective bargaining agreement;
2. the collection of dues when authorized by appropriate Local Union action;
3. the transmission of such messages and information which shall originate with, and are authorized by the Local Union or its Officers, provided such messages and information
 - a. have been reduced to writing, or
 - b. if not reduced to writing, are of a routine nature and do not involve work stoppages, slowdowns, refusal to repair, or drive any equipment, or any other interference with the Employer's business.

The Employer recognizes these limitations upon the authority of Shop Stewards and their Alternates, and shall not hold the Union liable for any unauthorized acts. The union will work with the Company to stop any such acts. The Employer in so recognizing such limitations shall have the authority to impose proper discipline, including discharge, in the event the Shop Steward has taken unauthorized strike action, slowdown, or work stoppage in violation of this Agreement.

The Shop Steward will be permitted reasonable time to investigate, present and process grievances within the regular schedule of the Shop Steward, provided there is no interference with school bus runs, or with the proper performance of the duties of the employees in participating in all meetings with the company over the resolution of grievances or other company business. The Shop Steward shall not suffer a loss in work opportunity and/or pay due to meetings or hearings scheduled by the company.

No Shop Steward shall make any decision with the Employer which conflicts with the terms and provisions of the Contract. The Union reserves the right to remove the Shop Steward at any time for the good of the Union.

ARTICLE 6. MAINTENANCE OF STANDARDS

The Employer agrees that all conditions of employment relating to wages, hours of work, overtime differentials, other benefits or forms of compensation and general working conditions shall be maintained at not less than the highest standards in effect at the time at that location of the signing of this Agreement and the conditions of employment shall be improved wherever specific provisions for improvements are made elsewhere in this Agreement, or have been negotiated for adequate replacement. The parties recognize that locally negotiated economic provisions and local terms and conditions of employment may be altered by written agreement and ratification of the local bargaining parties subject to Article 2, Scope of the Agreement.

It is agreed that the provisions of this Article shall not apply to inadvertent or bona fide errors, such as clerical or typographical errors, made by the Employer or the Union in applying the terms and conditions of this Agreement. In no event shall it apply to errors, the correction of which may be substantive or where the Union and Company disagree that an error was made. If the Union or the Employer are at an impasse, both parties may use the grievance procedure, if need be, as outlined in the Agreement.

ARTICLE 7. PROTECTION OF RIGHTS

The Employer shall not enter into any agreement or contract with his/her employees, individually or collectively, which in any way conflicts with the terms and provisions of this Agreement. Any such Agreement or Contract shall be null and void. All employees shall work in accordance with this Agreement. The Employer recognizes and acknowledges this Agreement.

Picket Lines: The Union and the Company understand that in the education profession, work stoppages can occur. This paragraph addresses that concern and covers work stoppages of customers and/or schools. It shall not be a violation of this Agreement, and it shall not be cause for discharge, disciplinary action or permanent replacement in the event an employee refuses to enter upon any property involved in a primary labor dispute, or refuses to go through or work behind any primary picket line, including the primary picket line of Unions party to this Agreement and including primary picket lines at the Employer's place(s) of business, or refuses to go through a picket line due to concerns for his or her safety, or the safety of his/her passengers. Recognizing the special obligation of the Company and its employees to render service to the public, the Union and the Company agree that the presence of a non-Teamster picket or a non-Teamster picket line on or adjacent to the premises of any customer or potential customer of the Company shall not remove the obligation of the employees to render service in the normal routine of Company operations provided such employees are not required to cross a picket line

Struck Work: It shall not be a violation of this Agreement and it shall not be a cause for discharge or disciplinary action or shall such employee be permanently replaced if any employee refuses to perform any service which the Employer undertakes to perform as an ally of an Employer or person

whose employees are on strike, and which service, but for such strikes, would be performed by the employees for the Employer or person on strike.

ARTICLE 8. ACCESS TO PREMISES

Authorized agents of the Union shall have access to the Employer's establishment during working hours after notifying the location manager in advance and presenting themselves to the facility manager or supervisor to investigate working conditions, collect dues, and inspect all time cards, log books and other payroll records of the Employer, for the purpose of determining whether or not the terms of this Agreement are being complied with. The Employer will make such records available within seven (7) days of the Union's request and will provide a suitable bulletin board exclusively for the Union's use in a conspicuous place for posting of information and interest to the members of the Union. The Union representatives agree to follow the Company's prescribed safety and security regulations while on the Company's premises.

ARTICLE 9. COMPENSATION CLAIMS

The Employer agrees to cooperate toward the prompt settlement of employees' on-the-job injury claims when such claims are due and owing as required by law. The Employer shall provide Worker's Compensation protection for all employees even though not required by state law or the equivalent thereof, if the injury arose out of or in the course of employment.

When an employee is injured on the job, the employee shall be guaranteed a day's pay for the day injured, provided he is instructed to cease work as a result of the injury, by the Employer or his physician.

The Company shall notify the Local Union of all worker's compensation claims.

ARTICLE 10. MILITARY CLAUSE

The parties hereto agree that the Employer shall comply with USERRA, as amended, the Reserve Forces Act of 1995, and amendments thereto.

ARTICLE 11. DISCIPLINE AND DISCHARGE

The Employer shall not discipline, suspend or discharge any employee without just cause. In any case of discipline including discharge or suspension, the Company shall promptly notify the employee in writing of the discipline, discharge or suspension and the reason thereof on the effective date. A copy of such written notice shall be given to the Local Union that day.

The Employer recognizes that discipline shall be reasonable and that progressive discipline shall be used to educate an employee to follow the rules and to perform his/her job

properly. Progressive discipline includes warnings, suspensions, and termination. However, under severe circumstances, progressive discipline may not be required so long as just cause is shown.

A warning notice as herein provided shall not remain in effect for more than twelve (12) months from the date of the occurrence upon which such warning notice is based, except in the case of serious on-duty preventable accidents, which may be considered for a reasonable period of time greater than the twelve (12) months, and shall not include minor issues.

This Agreement includes all addenda and Letters of Agreement executed simultaneously herewith and subsequent hereto provided. Leaves of absence, with appropriate documentation, will be granted for reasons referenced by the FMLA. Medical leaves will not exceed six months. Employees will be terminated if the leave exceeds the six month period; employees should be notified by mail if terminated. Routes will be held for a maximum of 30 calendar days; after 30 days the employee's route will be reassigned or bid per local practice. Seniority will continue to accumulate during the leave period.

Personal leaves are for significant personal emergencies such as serious illnesses of a relative, loss of residence or other catastrophic events. An employee should submit a written request for a personal leave outlining the reasons and the time needed. Routes will be held for a maximum of thirty calendar days. The Company will pay for the third exam. The third exam will be deciding opinion accepted by all parties.
