

Make UPS DELIVER *on the Dream*

"ALL LABOR HAS DIGNITY"

Dr. King was a fighter for social and economic justice who was killed while standing with workers on strike.

We are building a movement to win the strongest Teamster contract in UPS history that will:

- ***Stop excessive overtime***
- ***End two-tier 22.4***
- ***Stop harassment***
- ***Eliminate driver-facing cameras***
- ***End subcontracting***
- ***Win higher part-time pay***
- ***Secure more full-time jobs***
- ***And make MLK Day and Juneteenth paid holidays!***
