CONTRACT ACTION TEAM TRAININGS

Register Now!

The International Union has launched a national training program to prepare rank-and-file members to win the strongest contract in UPS history.

We invite all members to take part in this program.

- *Hear from organizers and trainers about the bargaining process*
- *Learn strategies for mobilizing your co-workers*
- *Find out how to map your workplace and build communications networks*
- *Get the tools you need to build effective Contract Action Teams in your local*

Winning the contract we deserve is not a spectator sport. We will need every member engaged, educated, and motivated in this fight. To make UPS deliver on our demands, we need Teamsters in every UPS local nationwide who are ready to take action with their brothers and sisters.

**GET TRAINED. GET MOBILIZED.
GET A STRONG CONTRACT!**

WHEN: APRIL 23, 10 AM - 4 PM
WHERE: TEAMSTERS LOCAL 89
