Employees who have earned vacation week(s), not selected during the vacation selection period, may elect to sell back those unscheduled weeks at any time.

After one (1) year of employment, vacation allowances will be prorated on a monthly basis and paid in the event of separation from the Company.

The total amount due for each calendar month shall be remitted in a lump sum not later than the 20th day of the following month.

The Company agrees to abide by such rules as may be established by the Trustees of the respective Trust Fund to facilitate the prompt and orderly collection of such amount and the accurate reporting of such amounts paid on account of the employee.

Failure to make the payments herein provided within the time specified shall be a breach of this Agreement.

SECTION 13 - TOOL INSURANCE

The Employer shall be responsible for the reasonable value of an employee's tools stolen from the premises of the Employer while such premises are closed for business or when the mechanical department is closed for business, or when the tools are secured by being locked up either during normal working hours or when the building is closed, or by reason of fire on the Employer's premises at any time, or for damage to the employee's tools or tool box caused by an unforeseen accident. The employee will pay the first \$25.00 on each such loss. The Union agrees that the Employer has the right to institute reasonable rules for the purpose of providing protection against unwarranted claims under this provision. Those rules shall include, but not be limited to, requirements for tool inventories, audits of tool inventories, restrictions on the removal of tools from the Employer's premises, and proper safeguarding of tools by employees. The employee must keep his tools locked up when he is absent from the mechanical department. The employee must notify the Employer whenever he removes his tools from the Employer's premises.

Auto and maintenance mechanics shall receive an annual "tool allowance" of ~~One Hundred Dollars (\$100.00)~~ **Two Hundred and Fifty Dollars (\$250.00)**, payable each year on December 1st, provided the employee has sixteen hundred (1600) paid hours within the previous twelve (12) months.

The Company shall have the right to hire any person who is eighteen (18) years of age and who is a citizen of the United States or who has legally declared his intention of becoming a citizen. All such new employees, as well as present employees covered by this agreement, if not already members of the Union, shall become members of the Union on the thirty-first (31st) day of continuous employment or thirty-one (31) days following the execution of this Agreement, whichever is later, and shall become and remain a member in good standing of the Union as a condition of continued employment.

The Employer shall not and the Union shall not discriminate against any individual with respect to compensation, terms, conditions or privileges of employment because of race, religion, color, sex, national origin and/or age, as otherwise provided by law. Where the pronouns "he" or "she" or any other pronoun designating sex are used in this Agreement, it shall be deemed to refer to either/or both sexes.

The Company shall be the sole judge of the competency and qualifications of its employees, and reserves the right to discharge any person in its employ not deemed by it to be satisfactory. However, before the Company discharges a seniority employee, it agrees to

notify the Union of its intention and will discuss the grievance with the Union and the employee.

The exception to the above rule will be cases of:

e. Unprovoked assault on an employee or a supervisory employee while on duty;

f. Selling, transporting or use of illegal narcotics while in the employment of the Employer;

g. Willful, wanton or malicious damage to the Employer's property.

The Union agrees that the Company will be notified not less than seventy-two (72) hours before any employee of the Company, a member of the Union, be taken off the job because of his failure to maintain good standing in the Union.

The Employer recognizes the employee's right to be given requested representation by a steward, or designated alternate, at such time as the "employee" reasonably contemplates

disciplinary action, unless specifically waived by the employee, in writing, with a copy to the Union.

The Employer recognizes the right of the Local Union to designate job stewards and alternates from the Employer's seniority list.

Employees covered by this Collective Bargaining Agreement who are not subject to DOT mandated drug testing are only subject to reasonable cause testing. Reasonable cause is defined as an employee's observable action, appearance or conduct that indicate the need for a fitness-for-duty medical evaluation. Additionally, any employee not covered above, that has worked for the Company for a minimum of thirty-six (36) months and accrued at least 625 paid hours during the past twelve (12) months is eligible for unpaid leave as set forth below, except that the amount of leave allowed will be computed at one-half ($\frac{1}{2}$) of the time provided by the FMLA.

Eligible employees are entitled up to a total of 12/6 weeks of unpaid leave during any twelve (12) month period for the following reasons:

1. Birth of a child;
2. Adoption, or placement for foster care;
3. To care for a spouse, child, or parent of the employee due to a serious health condition;
4. A serious health condition of the employee.

The employee's seniority rights shall continue as if the employee had not taken leave under this Section, and the Employer will maintain health insurance coverage during the period of the leave. The Employer may require the employee to substitute accrued paid vacation or other paid for leave for any part of the 12/6 week leave period.

The employee is required to provide the Employer with at least thirty (30) days advance notice before FMLA leave begins if the need for leave is foreseeable. If the leave is not foreseeable, the employee is required to give notice as soon as practicable. The Employer has the right to require medical certification of a need for leave under this Act. In addition, the Employer has the right to require a second (2nd) opinion at the Employer's expense.

The provisions of this section are in response to the Federal Act and shall not supersede any state or local law which provides for greater employee rights.

SECTION 17 — MATERNITY/PATERNITY LEAVE

It is understood that maternity leave for female employees shall be granted with no loss of seniority for such period of time as her doctor shall determine that she is physically unable to return to her normal duties and maternity leave must comply with applicable state and federal laws.

A light duty request, certified in writing by a physician, shall be granted in compliance with state and federal laws, if applicable.

Paternity leave shall be granted in accordance with Article 16, Leave of Absence, Section 6, Family and Medical Leave Act of the National Master with the exception of employees not able to meet the qualifications set out in Section 6, who shall be granted leave not to exceed one (1) week.

Notwithstanding any provision to the contrary in any Supplement, Rider or Addenda, an employee shall be allowed to designate in any vacation year paid time off up to twenty (20) days, to be used in the next vacation year, in accordance with this paragraph. Any paid time off that is provided on a weekly basis can only be banked in weekly increments. The accrued paid time off may be used in the next vacation year to cover any period of time that (1) the employee is determined to be unable to perform her job due to pregnancy (for the father, time off is requested due to the birth) and (2) is not covered by the FMLA, existing disability plans or other paid time off. If the accrued time off is not used in that year, it will be paid to the employee within two weeks of the request. If the vacation is not used as part of the leave, and it would have originally been taken in that vacation year, the employee shall also have the option of rescheduling the unused vacation as time off in accordance with local practice.
