Relief employees shall not have such time counted towards attaining seniority. The relief period shall be defined as the Tuesday following Memorial Day through the Friday preceding Labor Day.

Vacation weeks earned during the current vacation period, declared for sellback, shall be paid two (2) weeks after the employee's anniversary date of hire. Vacation pay will be paid on a separate check.

Employees who have earned vacation week(s), not selected during the vacation selection period, may elect to sell back those unscheduled weeks at any time.

After one (1) year of employment, vacation allowances will be prorated on a monthly basis and paid in the event of separation from the Company.

An employee who retires from the Company, and is entitled to receive payment for prorated unused vacation, shall also be paid a separate additional cash payment equal to the total pension contributions which the Company would have been required to make on behalf of the employee had the employee utilized all accumulated unused vacation prior to retiring (i.e. the number of prorated unused vacation hours multiplied by the hourly pension contribution rate in effect at the time of payment as illustrated in the following example—40 hours x \$6.60 per hour = \$264.00.)

SECTION 6—METHODS OF OPERATION

The Company's rules, regulations, practices and methods of operation heretofore in effect shall continue in full force and effect at the option of the Company.

The Union agrees that nothing in this Agreement shall preclude the Company from continuing or establishing any method of compensation which results in paying any employee more than he would receive at the regular basic rate and overtime applying to such type of work.

The Company shall continue the present policy of allowing employees to take rest breaks.

5. Employees may bid openings within their Local Union area, only.

In the event of a complete building re-alignment, porters covered by this Agreement shall be given the opportunity, in accordance with their seniority, to bid the new defined areas. All porters covered by this agreement shall be given the opportunity, in accordance with their seniority, to bid on all porter positions by classification within the facility, on an annual basis. The bid will include a general job description, hours of work, and workweek. It is understood that daily work assignments and coverage for disability, vacation, etc., will not be affected by this paragraph.

It is agreed that needs for vacation relief or permanent openings, under this Agreement, will be filled from members on the layoff list, by seniority. Appropriate notice will be given.

SECTION 8—TRANSFER REQUESTS

Each location is to be provided with “Request for Transfer” forms for the convenience of those who desire to transfer from one facility to another within their district. The requesting employee will be given a form to complete by his manager. The completed form will state the type of job requested and the new location desired. The form will be forwarded to the personnel office and will be held in their file for ready reference when openings occur in the various facilities. Employees with good records will be given first consideration to fill openings before new people are placed in new jobs, if such jobs are believed to be regular, and if not filled by an employee who has successfully bid on the job.

A notation will be made on the employee record U6150 when transfers and requests for full-time employment are approved and/or disapproved. All such notations shall be signed by the immediate supervisor and the employee involved. A list of such requests shall be maintained in the Company’s personnel departments.

SECTION 9—DISABILITY AND SICK LEAVE

Fifty-six (56) hours of straight time pay (seven [7] eight [8] hour days) will be allowed for each regular full-time employee who has completed one (1) year seniority with the Company.

These five (5) days, forty (40) straight time hours, may be selected under the same procedure by the employee as part of the employees next vacation selection period. When unused sick leave is paid, it shall be paid at the rate of pay at which it was earned.

An employee who is receiving such benefits shall be paid the difference between such benefit payments and his straight-time weekly earnings for each week such benefit payments are made.

6. Prorated unused sick leave pay will be paid in cases of separation from the Company after one (1) year of employment. An employee who retires from the Company, and is entitled to receive payment for prorated unused sick leave pay, shall also be paid a separate additional cash payment equal to the total pension contributions which the Company would have been required to make on behalf of the employee had the employee utilized all accumulated unused sick leave pay prior to retiring (i.e. the number of prorated unused sick leave pay hours multiplied by the hourly pension contribution rate in effect at the time of payment as illustrated in the following example—40 hours x \$6.60 per hour = \$264.00).

This is done in accordance with the terms and provisions of Article 30—Health and Welfare and/or Pension of the Western Region of Teamsters/United Parcel Service Supplemental Agreement, and the terms and conditions of the Western Conference of Teamsters Pension Trust Fund.

The existing Pacific Coast Benefit Trust Fund accounts of all employees covered by this Addendum shall continue to exist in accor-

dance with the terms and conditions of the Pacific Coast Benefit Trust Fund, however, these accounts shall have no new contributions as of August 1, 2013.

SECTION 12—TRUST FUND ACCEPTANCE

Holidays, sick pay and vacation time paid for but not worked shall be considered as time worked for the purpose of Sections 10, 11 and 12, but no payments shall be made for overtime hours, unused sick pay benefits or prorated payments made in cases of separation from the Company.

The Company shall not be obligated to make payments into the Trust Funds of amounts in excess of those which are deductible from gross income by the Company under Section 404 of the Internal Revenue Code.

The total amount due for each calendar month shall be remitted in a lump sum not later than the 20th day of the following month.

The Company agrees to abide by such rules as may be established by the Trustees of the respective Trust Fund to facilitate the prompt and orderly collection of such amount and the accurate reporting of such amounts paid on account of the employee.

Failure to make the payments herein provided within the time specified shall be a breach of this Agreement.

SECTION 13—TOOL INSURANCE

The Employer shall be responsible for the reasonable value of an employee's tools stolen from the premises of the Employer while such premises are closed for business or when the mechanical department is closed for business, or when the tools are secured by being locked up either during normal working hours or when the building is closed, or by reason of fire on the Employer's premises at any time, or for damage to the employee's tools or toolbox caused by an unforeseen accident. The employee will pay the first \$25.00 on each such loss. The Union agrees that the Employer has the right to institute reasonable rules for the purpose of providing

protection against unwarranted claims under this provision. Those rules shall include, but not be limited to, requirements for tool inventories, audits of tool inventories, restrictions on the removal of tools from the Employer's premises, and proper safeguarding of tools by employees. The employee must keep their tools locked up when they are absent from the mechanical department. The employee must notify the Employer whenever he removes his tools from the Employer's premises.

Auto and maintenance mechanics shall receive an annual "tool allowance" of Two Hundred and Fifty Dollars (\$250.00), payable each year on December 1st, provided the employee has sixteen hundred (1600) paid hours within the previous twelve (12) months.

Special tools needed to work on specific equipment will be supplied by the Company.

SECTION 14—EMPLOYMENT AND DISCHARGE

The Union agrees that the Company's business is of a specialized character which requires different and varied experience from that of other members of the Union. The Company shall have the right to hire any person who is eighteen (18) years of age and who is a citizen of the United States or who has legally declared his intention of becoming a citizen. All such new employees, as well as present employees covered by this agreement, if not already members of the Union, shall become members of the Union on the thirty-first (31st) day of continuous employment or thirty-one (31) days following the execution of this Agreement, whichever is later, and shall become and remain a member in good standing of the Union as a condition of continued employment.

The Employer shall not, and the Union shall not discriminate against any individual with respect to compensation, terms, conditions or privileges of employment because of race, religion, color, sex, national origin and/or age, as otherwise provided by law. Where the pronouns "he" or "she" or any other pronoun designating sex are used in this Agreement, it shall be deemed to refer to either/or both sexes.

The Company shall be the sole judge of the competency and qualifications of its employees, and reserves the right to discharge any person in its employ not deemed by it to be satisfactory. However, before the Company discharges a seniority employee, it agrees to notify the Union of its intention and will discuss the grievance with the Union and the employee.

The exception to the above rule will be cases of:

- a. Proven dishonesty; (it is understood that failure to accurately recall details during investigatory interviews, bona fide errors or mistakes, or simple methods errors do not constitute proven dishonesty)
- b. Drinking of alcoholic beverages while on duty;
- c. Recklessness resulting in a serious accident while on duty;
- d. The carrying of unauthorized passengers;
- e. Unprovoked assault on an employee or a supervisory employee while on duty;
- f. Selling, transporting or use of illegal narcotics while in the employment of the Employer;
- g. Willful, wanton or malicious damage to the Employer's property.

The Union agrees that the Company will be notified not less than seventy-two (72) hours before any employee of the Company, a member of the Union, be taken off the job because of his failure to maintain good standing in the Union.

The Employer recognizes the employee's right to be given requested representation by a steward, or designated alternate, at such time as the "employee" reasonably contemplates disciplinary action, unless specifically waived by the employee, in writing, with a copy to the Union.

The Employer recognizes the right of the Local Union to designate job stewards and alternates from the Employer's seniority list.

Employees covered by this Collective Bargaining Agreement who are not subject to DOT mandated drug testing are only subject to reasonable cause testing. Reasonable cause is defined as an employee's observable action, appearance or conduct that indicate the need for a fitness-for-duty medical evaluation. Refusal to submit to a reasonable cause drug test is a dischargeable offense.

SECTION 15—SETTLEMENT OF CONTROVERSIES

(Where applicable) See Western Conference of Teamsters-United Parcel Service Supplemental Agreement (Articles 25, 26, 27 and 28).

SECTION 16—FAMILY AND MEDICAL LEAVE ACT (FMLA)

All employees who have worked for the Company for a minimum of twelve (12) months and worked at least 1250 hours during the past 12 months are eligible for unpaid leave as set forth in the Family and Medical Leave Act of 1993.

Additionally, any employee not covered above, that has worked for the Company for a minimum of thirty-six (36) months and accrued at least 625 paid hours during the past twelve (12) months is eligible for unpaid leave as set forth below, except that the amount of leave allowed will be computed at one-half (1/2) of the time provided by the FMLA.

Eligible employees are entitled up to a total of 12/6 weeks of unpaid leave during any twelve (12) month period for the following reasons:

1. Birth of a child;
2. Adoption, or placement for foster care;
3. To care for a spouse, child, or parent of the employee due to a serious health condition;
4. A serious health condition of the employee.

The employee's seniority rights shall continue as if the employee had not taken leave under this Section, and the Employer will maintain health insurance coverage during the period of the leave. The Employer may require the employee to substitute accrued paid vacation or other paid for leave for any part of the 12/6 week leave period.

The employee is required to provide the Employer with at least thirty (30) days advance notice before FMLA leave begins if the need for leave is foreseeable. If the leave is not foreseeable, the employee is required to give notice as soon as practicable. The Employer has the right to require medical certification of a need for leave under this Act. In addition, the Employer has the right to require a second (2nd) opinion at the Employer's expense.

The provisions of this section are in response to the Federal Act and shall not supersede any state or local law which provides for greater employee rights.

SECTION 17—MATERNITY/PATERNITY LEAVE

It is understood that maternity leave for female employees shall be granted with no loss of seniority for such period of time as her doctor shall determine that she is physically unable to return to her normal duties and maternity leave must comply with applicable state and federal laws.

A light duty request, certified in writing by a physician, shall be granted in compliance with state and federal laws, if applicable.

Paternity leave shall be granted in accordance with Article 16, Leave of Absence, Section 6, Family and Medical Leave Act of the National Master with the exception of employees not able to meet the qualifications set out in Section 6, who shall be granted leave not to exceed one (1) week.

Notwithstanding any provision to the contrary in any Supplement, Rider or Addenda, an employee shall be allowed to designate in any vacation year paid time off up to twenty (20) days, to be used in the next vacation year, in accordance with this paragraph. Any paid time off that is provided on a weekly basis can only be banked in weekly

increments. The accrued paid time off may be used in the next vacation year to cover any period of time that (1) the employee is determined to be unable to perform her job due to pregnancy (for the father, time off is requested due to the birth) and (2) is not covered by the FMLA, existing disability plans or other paid time off. If the accrued time off is not used in that year, it will be paid to the employee within two weeks of the request. If the vacation is not used as part of the leave, and it would have originally been taken in that vacation year, the employee shall also have the option of rescheduling the unused vacation as time off in accordance with local practice.

SECTION 18—TERM OF ADDENDUM

This ADDENDUM shall become effective August 1, 2023 and remain in effect through July 31, 2028.

All current letters of understanding shall be renewed for the term of the Agreement.

UTILITY WORKERS ADDENDUM

THIS ADDENDUM made and entered into this 1st day August of 2023, by and between UPS, hereinafter referred to as the “COMPANY,” and the following Local Unions, where applicable, 63, 186, 396, 481, 495, 542, 952 and 986 affiliated with the INTERNATIONAL BROTHERHOOD OF TEAMSTERS hereinafter referred to as the “UNION.”

WITNESSETH

That in consideration of the premises and of the respective promises of the parties hereto, they do hereby mutually agree as, follows:

SECTION 1—RECOGNITION OF THE UNION

The Company recognizes the Union as the sole collective bargaining agent for utility automotive workers, excluding those in supervisory capacity with authority to hire and discharge.

The Company recognizes that the principles of seniority should be given prime consideration in the everyday operation of the business.

Seniority is defined as the length of an employee’s continuous service within the classifications covered by this Addendum, in the location they are domiciled, from the date of hire or their requested transfer.

A temporary employee is one who has been employed by the Company for a period of less than seventy (70) days worked. A new part-time employee shall attain seniority when they have worked seventy (70) days within a six (6) consecutive month period. Such employees shall, thirty-one (31) days after their date of employment, pay their regular initiation fee.

The work of supervisors will not include assignments of work that is performed by Union members except for the purpose of training and demonstration. Supervisors will not perform Union members work until after all reasonable efforts have been exhausted to have the work covered.

SECTION 2—EMPLOYMENT AND DISCHARGE

The Union agrees that the Company's business is of a character which requires different and varied experience from that of other members of the Union. The Company shall have the right to hire any person who is over eighteen (18) years of age and who is a citizen of the United States or who has legally declared their intention of becoming a citizen. All such new employees as well as present employees covered by this Agreement, if not already members of the Union, shall become members of the Union on the thirty-first (31st) day of continuous employment or thirty-one (31) days following the execution of this Agreement, whichever is later, and shall become and remain a member in good standing of the Union as a condition of continued employment.

The Employer shall not and the Union shall not discriminate against any individual with respect to compensation, terms, conditions or privileges of employment because of race, religion, color, sex, national origin and/or age, as otherwise provided by law. Where the pronouns "he" or "she" or any other pronoun designating sex are used in this Agreement, it shall be deemed to refer to either/ and both sexes.

Part-time employees or full-time ADA employees will exclusively fill all permanent full-time Porter and Carwasher jobs covered by the Automotive Addendum Agreement except in Locals 495 and 481. These jobs will be filled exclusively by Local 495 and 481 employees only.

The Company shall be the sole judge of the competency and qualifications of its employees, and reserves the right to discharge any person in its employ not deemed by it to be satisfactory. However, before the Company discharges a seniority employee, it agrees to notify the Union of its intention and will discuss the grievance with the Union and the employee.

The exception to the above rule will be cases of:

- (a) Proven dishonesty; (It is understood that failure to accurately recall details during investigatory interviews, bona fide errors or mistakes, or simple methods errors do not constitute proven dishonesty)
- (b) Drinking of alcoholic beverages while on duty;
- (c) Recklessness resulting in a serious accident while on duty;
- (d) The carrying of unauthorized passengers;
- (e) Unprovoked assault on an employee or a supervisory employee while on duty;
- (f) Selling, transporting or use of illegal narcotics while in the employment of the Employer;
- (g) Willful, wanton or malicious damage to the Employer's property.

The Union agrees that the Company will be notified not less than seventy-two (72) hours before any employee of the Company, a member of the Union, be taken off the job because of their failure to maintain good standing in the Union.

The Employer recognizes the employee's right to be given requested representation by a steward, or designated alternate, at such time as the 'employee' reasonably contemplates disciplinary action, unless specifically waived by the employee, in writing, with a copy to the Union.

The Employer recognizes the right of the Local Union to designate job stewards and alternates from the Employer's seniority list.

Employees covered by this Collective Bargaining Agreement who are not subject to DOT mandated drug testing are only subject to reasonable cause testing. Reasonable cause is defined as an employee's observable action, appearance, or conduct that clearly indicates the need for a fitness-for-duty medical evaluation. Refusal to submit to a reasonable cause drug test is a dischargeable offense.

SECTION 3—SETTLEMENT OF CONTROVERSIES

(Where applicable) See Western Conference of Teamsters-United Parcel Service Supplemental Agreement (Articles 25, 26, 27 and 28).

SECTION 4—UNION BULLETIN BOARD

The Employer agrees to supply a glass enclosed bulletin board and to provide suitable display space for the Union in each center, hub, or place of work. Keys to the Union bulletin boards will be in the custody of the Local Business Agent and the Company. Postings by the Union on such boards are to be confined to official business of the Union.

SECTION 5—METHOD OR OPERATION

The Company's rules, regulations, practices, and methods of operation now in effect shall continue in full force and effect, at the option of the Company.

SECTION 6—BONDS

Should the Employer require any employee to give bond, cash bond shall not be compulsory, and any premium involved shall be paid by the Employer.

The primary obligation to procure the bond shall be on the Employer. If the Employer cannot guarantee for a bond within ninety (90) days, it must so notify the employee in writing. Failure to do so shall relieve the employee of the bonding requirement. If proper notice is given, the employee shall be allowed thirty (30) days from the date of such notice to make his own bonding requirements, standard premiums shall be that premium paid by the Employer for bond applicable to all other of its employees in similar classifications. Any excess premium is to be paid by the employee. Cancellation of a bond after once issued shall not be cause for discharge, unless the bond is cancelled for cause which occurs during working hours, or due to the employee having given a fraudulent statement in obtaining said bond.

SECTION 7—UNIFORMS

The Employer agrees that if any employee is required to wear any kind of uniform as a condition of continued employment, such uni-

form shall be furnished and maintained by the Employer, free of charge, at the standard required by the Employer. Such uniforms shall be adequate to protect against climatic conditions.

Rain gear will be available for those employees assigned to moving vehicles on the Employer's premises. Raincoats will be ordered and provided upon request for those employees that have extended exposure to inclement weather during their workday.

The Employer has the right to establish and maintain reasonable standards concerning personal grooming and appearance and wearing of uniforms and accessories.

It is agreed that each employee shall put on the uniform before reporting for duty and shall remove the uniform after being relieved from duty each day. It is agreed that time spent in putting on and taking off the uniform shall not be paid for by the Employer.

SECTION 8—OVERTIME RATES OF PAY

Employees shall work five (5) consecutive days each week. Employees will be assigned regular shifts and will be given five (5) days advance notice in case it is necessary to permanently change the starting time of any shift. When start times are permanently changed more than two (2) hours, the job shall be rebid, excluding employees assigned to vacation relief.

All hours worked on a seniority employee's home sort in excess of six (6) continuous hours of work, or after eight (8) hours in a day and forty (40) hours per week shall be overtime hours and paid for at one and one-half (1 1/2) times the regular rate of pay. Beginning August 1st, 2027, the above overtime rate will apply after five and one half (5 1/2) hours worked, instead of six (6), subject to the same above restrictions.

Any employee reporting for work on any day as directed shall be guaranteed full pay for their regular hours, unless excused at the employee's request.

(A) All part-time employees who have attained seniority as of August 1, 2023, will receive the following general wage increase for each contract year, but in no case shall an employee receive less than the hourly start rate specified on August 1st, 2023 as set forth in (B) below. The total wage increase for each year will be as follows:

August 1, 2023	Two Dollars and seventy-five cents (\$2.75) per hour
August 1, 2024	Seventy-five cents (\$.75) per hour
August 1, 2025	Seventy-five cents (\$.75) per hour
August 1, 2026	One Dollar (\$1.00) per hour
August 1, 2027	Two Dollars and twenty-five cents (\$2.25) per hour

Any seniority part-time employee below twenty-one dollars (\$21.00) after the application of the general wage increase shall be raised to the minimum of twenty-one dollars (\$21.00) and shall thereafter be eligible for the above general wage increases and the one-time longevity increase below.

After application of the GWI and the minimum twenty-one dollar (\$21.00) rate, the following one-time longevity increases shall become a part of the applicable employee's base wage rate, based on their original hire date:

Five (5) up to ten (10) years of service (YOS)-
fifty cents (\$0.50) per hour

Ten (10) up to fifteen (15) YOS—one dollar (\$1.00) per hour

Over fifteen (15) YOS—one dollar and fifty cents
(\$1.50) per hour.

The applicable longevity increase will be applied for each eligible employee on August 1, 2023.

For example, if an employee's date of hire is August 1, 2002, effective August 1, 2023 the employee will receive the two dollar and seventy-five cent (\$2.75) general wage increase and the one dollar and fifty cent (\$1.50) per hour longevity wage increase based on the accrued twenty-two (22) years of service.

(B) Newly Hired Part-time Employees:

All part-time employees who are hired or reach seniority after August 1, 2023 will be paid according to the following wage schedules:

	Utility Workers Hourly Rate
Start	\$21.00
Twelve (12) months	\$21.50
Twenty-four (24) months	\$22.00
Thirty-six (36) months	\$22.50
Forty-eight (48) months	\$23.00

(C) The wage rates and increases provided in (A) and (B) shall be a minimum.

(D) All part-time employees governed by this Article shall be provided a minimum daily three and one-half (3 1/2) hour guarantee.

(E) Seniority part-time employees who are receiving an hourly rate higher than set forth above in Section (B), as a result of a Market Rate Adjustment, shall not have their hourly rate reduced due to the implementation of this Article.

On days where premium is paid, either one and one-half (1 1/2) time or double (2) time, the premium pay shall be paid from punch to punch.

SECTION 9—TIME CLOCKS

A daily time record shall be maintained by the Employer for an employee's review, upon request. The Employer who employs five (5) or more drivers at any hub/center shall have time clocks at such hub/center when requested by the union, in writing.

SECTION 10—REST BREAKS

Part-time employees working in three-hour locations shall be entitled to a ten (10) minute rest break. Commencing after the fourth (4th) hour and each hour thereafter, the employee shall be entitled

to a five (5) minute break not to exceed that time agreed to under the Labor Agreement for full-time employees.

Breaks are intended to provide employees rest during their shift. Breaks shall not be unreasonably delayed or denied to force an employee to take their break at the end of their shift. It shall be the employer's responsibility to ensure each employee's earned breaks are taken or compensated.

SECTION 11 – HOLIDAYS AND PERSONAL DAYS

The following holidays shall be granted to seniority employees without reduction in pay:

New Year's Day	Thanksgiving Day
Martin Luther King Jr. Day	Day after Thanksgiving
July 4th	Christmas Day
Memorial Day	December 31st
Labor Day	Four (4) Floating Holidays

Each seniority employee shall be granted four (4) floating holidays to be taken each calendar year. Employees hired after July 31, 2002, shall be eligible for these holidays after one (1) year seniority with the Company.

Floating holidays and personal days shall be selected in the following manner. Floating holidays and personal days scheduled during the vacation selection process shall be guaranteed time off for the employee requesting such days. Those employees not selecting during the vacation selection period may request their floating holidays or personal days at any time during the calendar year. Seniority shall prevail when the floating holidays and personal days have been selected at least ten (10) working days prior to the selected dates and time off shall be guaranteed ten (10) working days prior to the dates the floating holidays or personal holidays occur. By mutual agreement, floating holidays and personal days may be selected as individual days, blocks of days (two, three, or four days) or combined in blocks of five (5) days and selected as full weeks.

Seniority shall prevail when an excessive number of employees have chosen the same day.

The granting of floating and personal holidays may be limited during the month of December.

If the Company decides to shut down its operation in the Southern California area on another day, a floating holiday will be assigned to that day.

Employees absent for more than thirty (30) days due to non-industrial illness or injury will not be eligible for holiday pay. In cases of industrial injury, employees absent for more than ninety (90) days will not be eligible for holiday pay.

Except as described above, an employee, to be eligible for holiday pay, must have monies earned during the week in which the holiday falls.

The holiday pay for all eligible employees shall be four (4) hours maximum.

HOLIDAYS WORKED: Pay shall be one and one-half (1 1/2) times the hourly rate plus the holiday pay except for those employees engaged in the processing of the delivery and pickup of air parcels on the Day after Thanksgiving, and New Years' Eve Day (December 31st), who shall be paid straight-time wages for hours worked, in addition to holiday pay.

Employees may elect, on their anniversary date, to receive five (5) consecutive personal days off (guaranteed hours) or pay in lieu thereof. These five (5) days will be selected, under seniority procedures, by the employee as part of the employee's vacation selection procedure. Employees hired after August 1, 2002, shall be eligible for the five (5) personal days described above after completion of two (2) years seniority with the Company.

SECTION 12—MATERNITY/PATERNITY/FMLA LEAVE

A. It is understood that maternity leave for female employees shall be granted with no loss of seniority for such period of time as her doctor shall determine that she is physically unable to return to her normal duties, and maternity leave must comply with applicable

State and Federal laws. It is further understood that, pursuant to Section 19B-Family and Medical Leave Act, paternity leave for a male employee whose spouse is pregnant shall be granted with no loss of seniority, for each pregnancy, for a period not to exceed twelve (12) / six (6) weeks, with the exception of employees not able to meet qualifications set out in Section 19B, who shall be granted leave not to exceed one (1) week, this week shall commence on the date of birth or the day the spouse is released from the hospital subject to the employee's choice.

B. All employees who have worked for the Company for a minimum of twelve (12) months and worked at least 1250 hours during the past twelve (12) months are eligible for unpaid leave as set forth in the Family and Medical Leave Act of 1993.

Additionally, any employee not covered above, that has worked for the Company for a minimum of thirty-six (36) months and accrued at least 625 paid hours during the past twelve (12) months is eligible for unpaid leave as set forth below, except that the amount of leave allowed will be computed at one-half (1/2) of the time provided by the FMLA.

Eligible employees are entitled up to total of 12/6 weeks of unpaid leave during any twelve (12) month period for the following reasons:

1. Birth of a child;
2. Adoption, or placement for foster care;
3. To care for a spouse, child or parent of the employee due to serious health condition;
4. A serious health condition of the employee.

The employee's seniority rights shall continue as if the employee had not taken leave under this section, and the Employer will maintain health insurance coverage during the period of the leave.

The Employer may require the employee to substitute accrued vacation or other paid for leave for part of the 12/6 week leave period.

The employee is required to provide the Employer with at least thirty (30) days advance notice before FMLA leave begins if the need for the leave is foreseeable. If the leave is not foreseeable, the employee is required to give notice as soon as practical. The Employer has the right to require medical certification of the need for the leave under the Act. In addition, the Employer has the right to require a second (2nd) opinion at the Employer's expense.

The provisions of this section are in response to the Federal Act and shall not supersede any state or local law which provides for greater employee rights.

SECTION 13—DISABILITY AND SICK LEAVE

Each employee will be allowed seven (7) days sick leave (four [4] hours daily guarantee or straight-time pay) upon attaining one (1) year's seniority with the Company. Each employee will be allowed seven (7) days sick leave (four [4] hours daily guarantee at straight-time pay) on each succeeding sick leave anniversary date.

Each employee will be allowed seven (7) days (at the daily guaranteed rate of pay) on each succeeding sick leave anniversary date.

On the employee's anniversary date, they shall have the option to:

- A. Accumulate any/all sick leave days, to a maximum of thirty (30) days.
- B. Receive pay for any/all accumulated unused sick leave.
- C. Use in conjunction with vacation time, earned, as described below:

At the end of each succeeding twelve (12) months, any unused sick pay may be accumulated, paid, or used in five (5) day segments in conjunction with vacation time off at the option of the employee. These five (5) days, forty (40) straight time hours, may be selected under the same procedure by the employee as part of the employees next vacation selection period. When unused sick leave is paid, it shall be paid at the rate of pay at which it was earned.

Sick pay contribution shall be allocated under the following conditions:

1. Sick pay to be allowed for the first day of any period of absence from work due to a bona fide sickness or disability, and shall start when an employee leaves the job because of injury on the job.
2. An employee unable to work because of sickness or disability must notify the Company one (1) hour or more before the employee is scheduled to report for work, unless conditions make it impossible to give such notification, and sickness shall be deemed to have commenced at the time the Company is so notified, unless notification is impossible.
3. No employee shall be entitled to disability leave pay when the sickness or injury is due to intoxication or the use of narcotics, nor shall it apply in case of injury while working for another employer or while self-employed for profit or compensation.
4. No employee shall be requested to have a medical release, from their physician, unless the employee has been on sick leave five (5) consecutive days or more, or in the event of any personal injury.
5. Prorated unused sick leave pay will be paid in cases of separation from the Company after one (1) year employment. An employee who retires from the Company, and is entitled to receive payment for prorated unused sick leave pay, shall also be paid a separate additional cash payment equal to the total pension contributions which the Company would have been required to make on behalf of the employee had the employee utilized all accumulated unused sick leave pay prior to retiring (i.e. the number of prorated unused sick leave pay hours multiplied by the hourly pension contribution rate in effect at the time of payment as illustrated in the following example—40 hours x \$6.60 per hour = \$264.00).
6. A lapse of more than thirty (30) days per year shall break continuity of employment for the purpose of sick pay eligibility. Sick pay days will be prorated.

7. Earned sick pay may be integrated with Workmen's Compensation or Unemployment Compensation Disability Benefits when requested. An employee who is receiving such benefits shall be paid the difference between such benefit payments and their straight-time weekly earnings for each week such benefit payments are made until such sick pay benefits that the employee would be eligible for are exhausted.

SECTION 14—VACATIONS
